# WIREFRAMES

A wireframe for a website page titled "Haeden Paul". The header includes a navigation bar with colored squares corresponding to menu items: UI/UX (red), Graphic Design (yellow), About Me (blue), Playlist (pink), and Contact (green). Below the header, the text "Playlist of the Week!" is displayed. A large rectangular area is labeled "SoundCloud API". A callout box contains the text "Short bio about playlist". At the bottom, there is a footer section with three small icons.

Playlist

A wireframe for a website page titled "Haeden Paul". The header includes a navigation bar with colored squares corresponding to menu items: UI/UX (red), Graphic Design (yellow), About Me (blue), Playlist (pink), and Contact (green). Below the header, the text "Let's get in touch!" is displayed. There are three input fields for "Name", "Email", and "Message". To the right, a dark box contains contact information: "My Info", "email: xxx@nyu.edu", "phone: ####-####-####", and "Brooklyn, NY".
